Footnotes:
(1) Heb 5:12 In fact, though by this time you ought to be teachers, you need someone to teach you the elementary truths of God….
Heb 6:1-2 Therefore let us leave the elementary teachings about Christ and **go on to maturity**, not laying again the foundation of repentance from acts that lead to death, and of faith in God, instruction about baptisms, the laying on of hands, the resurrection of the dead, and eternal judgment.
